## Buca's traditional Wicker Basket Chianti

Our perfectly balanced Chianti comes to us direct from the sun-soaked hills of Tuscany. There, our vineyards have been growing and producing an exceptional reserve of wine for more than a century. We invite you to make a toast to our very own Spada Chianti with any of our entrees. Salut!

Friends having fun at a Buca di Beppo near you. 2006

Okay I didn't make my annual trip to Italy this summer. But hey Buca is the next best thing. We're talking authentic Italian fare made fresh daily. And just like the old country, it was like one big celebration. Some nice wine some fresh cannoli now that's my kind of Roman Holiday.

Enclosed is a \$10 gift card. A little something from me to you. Use it on your next visit. And don't forget to try the giant marshmall.

Ciao Carl  
(Yeah I know it's Carl but it sounds better Italiano!)

In Italy, nothing makes a meal like a generous helping of family and friends. In Buca, where groups of all sizes are welcome to talk with their hands, other on both cheeks and share in our array of authentic Italian favorites, your next meal, and experience for yourself why Buca di Beppo is the Wash Readers' Choice for "Best Bet for dining in a group." Ciao...let's mangia!
